Have you ever said something, and as the words were leaving your mouth you thought, noooo! If you haven't, take my word for it, it's not fun. Our tongue is like a spark of fire. It doesn't take anything but a spark to set a forest ablaze. It doesn't take many words to ruin a relationship. Of everything in nature that has been tamed, our tongue and what we say hasn't been. Our tongue contains potential for tremendous evil or glorious praise. Do you find yourself more regularly cursing others or praising God? Our speech is a great indicator of our heart is.

James talks about how our tongue reveals the fruit we're producing in life. He says in James 3:11-12, "Does a spring send out from the same opening both fresh and bitter water? 12 Can a fig tree, my brothers and sisters, bear olives, or a vine bear figs? Nor can saltwater produce fresh." Are you producing the positive fruit you would like to, blessing other people? Or are you producing a different fruit, one that hurts others and tears down?
