## POTLUCK FELLOWSHIP TODAY

There's something special about looking up at the stars on a clear night. The enormity of the glowing night sky is something that you can get lost in. Mankind has been looking up since the very beginning. King David wrote Psalm 8:3-4 which says, "3 When I look at your heavens, the work of your fingers, the moon and the stars, which you have set in place, 4 what is man that you are mindful of him, and the son of man that you care for him?"

Whether it was when he was a boy, sleeping outside tending his sheep—when he was on the run from King Saul out in the wilderness—or from his royal palace balcony as king of Israel—when David looked up into the heavens, He imagined God's greatness. Creation itself echoes the fact that its great Creator is worthy of our love and worship. God has not only created us, but He has placed us in a beautiful world that declares His power and magnitude.
